Workmanship :

1. We used commercial grade fabric reinforced 0.55mm to 0.6mm PVC Tarpaulin, ideally suited for obstacle course. Lilytoys material is the finest commercial grade fabric re-inforced PVC available, Lead free and eco-friendly. All obstacle course in lilytoys are used high strength and durable, waterproof and fire proof.
2. To make the lively cartoon shape, the internal baffles are very important, the material use pvc instead of oxford, to make sure the shape can be nice and long time to use.
3. Durable Stitching is applied to all our products both inside and outside. And we add double stitching to quadruple stitching or use extra patches on all the stress places, such as the corner, the joint and the forced parts.
4. Durable Stitching is applied to all our products both inside and outside. And we add double stitching to quadruple stitching or use extra patches on all the stress places, such as the corner, the joint and the forced parts.
5. Triangle anchor strips and D rings are equipped every 1.5 meters distance at the bottom of our products. It is also equipped our products for firmly fixed and against wind
6. To reach the best specification of 1440PI. We used advanced machine, the Polaris 512 high precision guide rail inject printer. After the printing, we will cover a UV protection oil layer to keep the image lasting bright, shining and protect from sunshine..

Our Services :

1. We control our quality strictly. The material for our inflatable is 18oz pvc coated fire retardant tarpaulin, which is known for it's durability, tear strength, and long lasting quality.
2. Double stitching throughout the unit with triple stitching and quadruple stitching in key areas inside the base of the unit. We use extra webbing reinforced strip on all the stress points and interior panels.
3. We test each product to ensure the toys seamed exactly well before shipping.
Also we can as per your requirement to make.

Our Factory:

1. A leading inflatable supplier of 15 years
Our factory was established in 2000. All our workers are working in this field over 10 years who have rich experience in manufacturing inflatables, so we can supply you with more beautiful and exact products as you want.
