Usage :

Inflatable water park is very safety used on the land and sea shore. It is made up of two components: inflatable slide and water pool. Both of children and adults will find there is a lot of fun when they palying it inside. We can swimming in the pool, climbing on the mountain then sliding down from the top. Otherwise, we will find that it is so miraculous we can play a lot of water floating toys in the big pool. Such as water totter, iceberg, water trampoline, aqua glide and so on.
