Description:

Do you want your kids give a deep impress to their friends by offering an amazing dance floor? Do you want your kids know more color when playing? It seems that this Inflatable Clown Bouncing Castle is for them. This large bouncy castle on the theme of the party with all its colors green, yellow, red, blue and its festive illustrations will not go unnoticed and will give this little touch of originality to parties organized for or by children. On the roof of the structure is a giant clown disguised to party with many balloons printed everywhere on the walls. The castle use high quality materials to ensures your purchases a very long life.

In addition, the roof protects its users from rain as well as ultraviolet rays.

Advantage:

Easy setup and convenient to be used in different places. a. Place the castle on a flat ground,preferably with a cloth (such as a carpet, plastic strip) under the castle and then unfold it. b. find the air inlet of the castle, connect with the air outlet of the blower.and tighten the blower port, and then tie the spare air inlet with a rope. c. Turn the blower on and the castle will bulge within 2-3minutes.

The colorful bouncer house is fantastic for the children's birthday party.

Excellent waterproof and fire resistant factors make itself durable in daily use.

on-time delivery and best after sell service .If there are any quality problem occurs during the period of warranty time,we factory will take full esponsibilities to get it rework,if failed,we will make a new one for free.

Why choice us:

The material we choice is 0.55mm PVC tarpaulin which also called 18oz PVC tarpaulin,it's heavy duty SGS certificated with fire retardant and cold-resistant features,also through UV and RoHS test.It's the most popular material for producing sewing inflatables.

All seams with double line stitches with 9 strands bonded thread,and quadruple stitches in important part which part bear lots of weight,and reinforcement strips stitched on all mattress seams.

Strong tie down anchor system with PVC material and stainless steel D rings around bottom.
