Product Description

3 In 1 5.2 x 6.9m Blow Up Jumping Castle With Arch And Roof / Kids Inflatable Jumping Slide

Description:

This red, green, yellow, orange and blue attraction is perfect for making birthday parties or other events even more fun for both children and adults. The children will have enough to lose a lot of calories. In addition, this bouncy castle has a slide and obstacles that make the attraction even more attractive.

All our products are on high quality PVC inside baffle, we never cut corners with our product, and always strive to provide the safest inflatables possible even if it costs a little more. In order to make the inflatable castle safe and durable enough for kids, we only use material certified by CE, EN71, UL.

Advantage:

If you own castle business, we can attach your logo instead of the letters. The stretched ramp entrance could protect your kids from falling out. The bouncer could be set up in a few minutes and easy to deflate. The Double-Reinforced technique & lead-free PVC materials ensure the safety of our product.

The colorful bouncer house is fantastic for the children's party.

Excellent waterproof and fire resistant factors make itself durable in daily use.

on-time delivery and best after sell service. If there are any quality problem occurs during the period of warranty time, we factory will take full responsibilities to get it rework, if failed, we will make a new one for free.
