FAQ:

1. Is it fire retardant ?

Yes ,it is fire retardant and water proof .If have special request of material .it also can be customized according to your requirement.

2.The size is big /same,not suitable for me.could we can customize?

it is no problem. It can be customized according to your requirement,such as size ,logo,color ,printing etc.Of course ,if you not like the picture.please send a picture to us,then we make it according to your picture

3. could i ship it by myself / Could you can help us to ship?

Yes.If you have forwarding agent in China.we will assist your agent to ship. If not forwarding agent,we can help you to ship. the best ship way is by sea,transportation time about 15 days -40 days ,according to different country.If urgent,by air is okay.

4. Can I put up a Inflatable product quickly?

Setup times vary depending on products of different sizes. For the smaller models, such as the 3x3 and the 4x4, it can take as little as 3-5 minutes to inflate with an electric pump. The larger models are just as quick, such as the 6x6, taking only about 10 minutes to inflate fully using a pump. If inflating the tents by hand, however, these times may be longer.
