Discriptions:

1. There are different material for inflatables, like PVC Tarpaulin, TPU, and Oxford Fabric, ect. This castle material is 0.45mm PVC Tarpaulin, and the castle bottom material is 0.55mm PVC Tarpaulin for the force stress. PVC Tarpaulin is from Plato Factory and it is good quality. PVC tarpaulin with feature of waterproof, punctureproof and fire-resistant. Tempreture 70 degree to minus 40 degree is available for PVC tarpaulin.

2. We will make reinforcements at the connecting panes and leaflet which make the baffles more durable.

3. There are different kinds of blower, for example, 680, 800W, 950W, 1500W. 680W blower is enough for this castle.

4. For the blower, we have the CE/ROHS/FCC certificate. Have more certificates such as Tear Strength, Fire Retardant, ROHS standard Low Toxicity report and so on.

5. Payment by 50% deposit to let the order started, and 50% balance when goods are finished.

6. Castle will be packed inside the strong PVC bag, and blower will be packed inside the carton.

Advantages:

1. Warning Sign.

warning sign is one of important part for inflatables. you should read the warning sign because it tells you how to operate inflatables under the safe condition.

2. Double And Quadruple Stitching At All Stress Point.

as a professional manufacturer all the areas of the inflatables that need to be reinforced!
and all of our units are sewn with polyester threads with triple and quadruple stitching.
this makes our units dependable, durable as well as longer lasting.

3. HD Printing & Hand Painting.

we used advanced technical machine, the Polaris 512 high precision guide rail inkjet printer. after the printing, we will cover a UV protection oil layer to keep the image bright and shiny. we also provide hand painting, our painter can draw different pictures as you want (any theme like mickey, princess, batman..).

FAQ:

1. Could I have a price list of your products?

Welcome. Pls feel free to send us an email here. You will get our reply in 24 hours

2. Can you change the size and color based on the original?

Yes, King inflatable products can be customized according to your requirements. OEM/ODM are warmly welcomed.

3. Can you print my pictures or logo on the inflatable products?

Yes, we can print your pictures or logo for free.

4. How about the materials used in products?

We use the famous brand Plato 0.4-0.55mm PVC tarpaulin for ground inflatables, while 0.65mm,0.9mm PVC tarpaulin for water games.

5.What' s included in products?

Blowers for ground inflatables or air pump for inflatable water games (with certificate of CE/UL), storage bag, repair kits (included PVC materials, glue).

6.Which shipping way will be adopt? by Sea, Express or Air?

All are available. It just depends on your delivery time, budget and your ideas.
