Descriptions:

4 in 1 Combo Blue Inflatable Jumping Castle Bouncer With Slide For Kids are made by 0.55mm PVC. The material has pass the SGS, CQC and CE. The technique and artistry in producing is Extra webbing reinforced strip on all the stress points and interior panels.our inflatable bouncer! Kids of all ages will love this, so it's a challenge and exciting for all. The digitally printed artwork makes it stand out from the crowd, and a real eye catcher.

Advantages:

Top Material: We use best 0.55mm or 0.45 mm PVC tarpaulin for Jumping castle. the best material is very important for the games. All inflatable games of Topfun are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. The flame retardant meet BS7837. Our material has improved by the SGS.

Reinforced Double stiches: we all make double stitches with 12 strands nylon thread at all the joins. so that can reduce the air leakage and Extend the life time.

Oversized Jumping Area – more than 10 square meters jumping area in 4 in 1 Combo Jumping Castle, about 10 kids can play at the same time.

Slide to Ball pit – more than 4 metres long slide to ball pit, The slide is tall, long and wide, and contains walls on each side for protection. so rather than accidentally falling and bouncing out of the house and onto the ground and/or surrounding objects, the child can more safely slide down and out of the unit.

Big Ball Pit – Two 5 square meters ball pit beside the bouncer and slide. balls will come together, kids can play safe and happy in it.

Mesh Windows – Large windows made from commercial-grade rip stop netting won't tear like cheaper mesh and they allow children to be easily and clearly supervised.

Easy Takedown – Zippered flaps allow the bouncer to easily be deflated and taken down for storage after the day of playing has ended.

Blower Available – 1500 Watt, 2 horsepower UL/CE-Listed blower with grounded power cord and covered on/off switch for added protection. The blower is sturdy, durable, provides maximum air flow, and has been constructed to endure long hours of use.

- Accessories – Includes instructions, a repair kit with patches, a 4 ounce bottle of glue, and four 12" heavy duty metal ground stakes to secure this bouncer to the ground.

- Commercial Quality – Inflatable is constructed entirely from high quality, industrial strength materials.

- Lead Free – All materials comply with the Lead Free Toys Act.
