Description:

This inflatable Bounce Castle by King Inflatable is constructed from 100% PVC all our PVC Tarpaulin contains 3 layers itself , double sides coated with a strong net inside , It is very strong , waterproof.The bouncing surface, bottom are made from industrial strength 0.55mm PVC. This (fire retardant and lead-free) puncture-proof PVC material is approximately 5 times stronger than nylon used in lesser-quality units as it won't tear, fade, get moldy, and it is far easier to clean.

Always use protected receptacles/circuits and take caution to keep blower and power cords in dry locations. Please Note: A blower is required for use and is not included.

Applications:

Kids soft paradise fun city, suitable for 3-10years old, rental or resell business.

Our Advantages:

- 1, strong and nice stitches.Double stitched or Quadruple stitched (triple to quartic stitched in sensitive parts) seams and reinforcement strips stitched on all mattress seams.
 - 2, with blowers to get it work,because the castle is made by sewing,so it need blower continous blowing to make it dilate.
 - 3, full colors are available
 - 4, can print logos, banners or artworks
 - 5, durable, 3-5years usage life span
 - 6, safe, no injury or hurt to kids
 - 7, once broken, it's easy to repair, get it fixed and working again.
 - 8, Durable Material with EN-71 certification
- Top quality material are always applied on our inflatables, all of them are made from the best material suppliers in China - Plato chemical; all of the material meets EN-71 certification.
- 9, Computerized automatic cutting system
- Bese on the perfect design, the raw material of our inflatables are cut out the by computerized automatic cutting system which can ensure the perfect shape of each products.

FAQ:
