Detail product data:

This product has a good 3D shape appearance, there are turtle, seahorses, starfish, dolphins, beautiful fish and crab at the fore roof with warm smile to welcome guests from all over the world. A colorful and lively seabed view is showing on its support wall, that is shark is chasing its food. There are some columns inside as obstacles, each column has a dancing sea animal, such as seahorse, fish and shrimp, you can join in the dance ball. There is a slide, you can slide down like penetrating the whole sea. Wow... let's go, start the ocean trip with the lively sea animals!

Our Advantages:

1. This product adopts Plato 0.55mm PVC tarpaulin durable material with EN-71 certification which is the best material.
2. Advanced sewing technology. Strong and nice stitches. Double stitched or Quadruple stitched (triple to quartic stitched in sensitive parts) seams and reinforcement strips stitched on all mattress seams.
3. With high quality CE/UL certificated blowers to ensure it works well for long time, because the castle is sewed product, so it need blower continuous blowing to make it normal run.
4. Full colors are available according to your requirements.
5. Can print logos, banners or artworks
6. Durable, 3-5 years usage life span
7. Safe, no any injury or hurt to players.
8. Once broken, it's easy to repair, we can provide video guide.
9. Base on the perfect design, the raw material of our inflatables are cut out by computerized automatic cutting system which can ensure the perfect shape of each products.

FAQ:

Q: Can you design one specially?

A: Yes, send us details and a sketch of your requirements and we will quote you our best price.
