Descriptions:

This inflatable jumping castle has a good color and shape, one side is a active spider man who is a super movie star character with superpower will attract kids very much. Kids can jump onto the jumping castle to enjoy the happy jumping time with her friends, and can slide down from the slide too, How fun playground is it for your kids at backyard or camps!

It is full double stitching and quadruple stitching at weak parts, so it is durable and safe. Its material is adopted 0.55mm PVC tarpaulin from Plato which is the best and biggest raw material for inflatables, and the lead free, fire retardant, eco-friendly etc characters of material have certificated by SGS, CE, ROHS, so it has no hurt to health and body. At the bottom of the joints and every corner, you don't have to worry about safety issues when the children are jumping on the product. No matter how children play, they can tolerate it.

Advantages:

- 1.High quality Plato PVC is used for all our jumping house, Water Slide,football field ,obstacle courses, Commercial Bounce Houses and tents and other inflatable advertising products. Our material Non-stimulative to skin,non-toxicity and non-taste.You could be at ease use.Just make fun for the world.
- 2.Sewing:Commercial grade sewing style, Double-stitched reinforced seams and jump surface
- Inflate and deflate:Easy to set up and take down within 5 minutes
3. Blower:Powerful blower with CE&UL certificate and correct plugs
4. Anchor or D-ring:Anchor or D-rings to keep stability and safety
5. Quality control:Very strictly test and 100% inspection before delivery
6. After-service:100% responsible for faults of quality under correct use
7. We support digital print, silk print and hand painting.
8. We could print anything what you want,what you need very clear and lively. Because we use the best quality printing machine,it print very quickly and in good quality.
9. The high level printing makes product will not be sticky and color fade,at the same time can help product picture sustain for a long time.
10. Strong design ability.We have a professional R&D team, best design according to your demand, and 3D drawings to you for confirm before production, to make one and only inflatable for you.
11. Perfect after-sales service system.Our inflatable products can be used for more than 24 months. If it is damaged, you can use the glue and material to repair it. Because it is too long distance to ship goods back, we will send a kit bag for every inflatable product.
