Descriptions:

This kind inflatable water park most use for outdoor rental business or commercial events. The good 3D shape, there is a huge octopus on the top, and leaping dolphins above the handrails of both stair and slide, these will attract all range age of adults and kids! People can climb up to the top of slide with the leaping up dolphins and then slide down with the leaping down dolphins, what an amazing slide for amusement! Together with family members or friends, let's enjoy happy time with it in the hot summer!

We are direct factory, so you can get a factory price and recover your cost very quickly.

Easily set up the dry slide within 15 minutes. The slide is supplied in one part and is therefore easy to transport. We supply the inflatable including blowers, anchoring material, transport bag and a clear manual. In short, everything complete for a great experience!

1 Material: It is made of 0.4/0.55mm thickness pvc coated tarpaulin. All the material we use is from PLATO CHEMICAL which is the best and biggest material supplier in China. PVC tarpaulin has 3 layers, 2 layers pvc with 1 layer strong net inside, waterproof, fire-retardant and high durability. The material has been certificated by CE, EN14960, SGS, EN71, ROHS.

2 Workmanship: It will be stitched by sewing machine. Everywhere double stitching and the key areas will be quadruple stitched. All the items will be well done and they all have a long service life, at least 4-5 years.

3 Size : It can be customized according to your requirements.

4 Your design: If you do not favorite this model, please send your like picture to us, we can help you to make according to your picture or your idea. as long as you can image, we can help you to make it come true.

5 How to inflate : Connect the blower and inflate mouth, turn on the blower, it will automatically set up, inflate time about 3-5min. Due to the model is swan structure, it needs blower working all the time to provide constant air pressure.

Advantages:

1 The brand of the material we use is PLATO CHEMICAL which is the best and biggest material supplier in China.

- 2 All the items will be finished by double stitching or sealed ,and all the key areas will be reinforced.
- 3 All the products can be customized,including material ,size ,logo ,printing ,design and so on.
- 4 The material will be cut by machine not by hand,so we can offer you a fast delivery.
- 5 More than 10 years' production experience and many rich-experienced technical workers,so you can get best quality goods.
- 6 We can help you to design out according to your ideas or picture.
- 7 Before shipping,all the items will be tested strictly to make sure it work well.
- 8 Advanced auto machines and trade assurance for the goods' quality and on time shipping.

Workmanship:

- 1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles, junctions.
- 2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which can last longer than other metal in water.
- 3) Durable parts. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.
- 4) Stable Connection System. Our company created originally eyelet connection system and anchor ring connection system which will make the whole castle very stable.

Packaging & Plugs:

1. For the finished prodcuts, we packed with strong PVC tarpaulin(same to the products).
The PVC tarpaulin bag is durable enough to bear the impact during shipment. In order for you to find the products quickly, we have printed our company's logo on outside of package bags.
2. Blower or air pump are packed By PVC bag or carton which suitable for shipment, also been marked outside of the package, so that you can find them quickly and correctly. Different countries have different voltage and different plugs, it will much appreciated if you can tell us what type plug you want, and then we will supply the plug suitable for you.

Why Choose us?

Our company was established in 2012 specialized for inflatable industry. We have own brand "King Inflatable", and also provide OEM/ODM service to our customers.
