Our advantage:

1. OEM/ODM are warmly welcomed. We also offer different size, color, logo, design according to your requirements.
2. Best material is very important for the games. All inflatable games are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. Our material has been approved by the SGS.
3. We sew double stitching everywhere, with quadruple stitching at bottom stress point. Double stitching inside and double stitching outside, and to make sure the inflatables are strong and durable enough.
4. Digital print, silk print, or hand painting are available. We have top skilled worker to apply the artwork and printing. We imported painting machine, it print quickly and in good quality. The quality of print ink also meets the standard of SGS. Further more, we make a liquid protecting film on the surface of digital printing, the liquid protection is also imported from abroad. The high level painting makes our product will not be sticky and color fade, but sustain for a long time.
5. Certificated Blower:
 - 1) CE blower spec. 220V, 50HZ, 1.5HP Euro plug, plug can be customized.
 - 2) UL blower (110V, 60HZ) for USA area using, plug can be customized too.
6. Quality Control
We have professional design team, skilled workers and strict QC management, these will guarantee good quality for inflatables.

Workmanship:

- 1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles, junctions.
- 2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which last longer than other metal in water.
- 3) Durable parts. All our parts like handles, anchor rings are welded instead of sticked by glue, it's not easy to peel off.
- 4) Stable Connection System. Our company created originally eyelet connection system and anchor ring connection system which make the whole park very stable.
