Descriptions:

This kind inflatable water park most use for swimming pool, lake, sea or commercial events. It have multiplay theme such as slide, obstacle, sport game etc which will attract all range age of adults and kids! You can get a factory price and recover your cost very quickly. People can choose her like play projects, she can slide, climb, chase, contest when playing with this water park, what an amazing water park for amusement! Together with family members or friends, let's enjoy happy time in the inflatable water park!

This product is surfing boy multipurpose theme, it has a wonderful color and shape! Look, a smile surfing boy is coming, meanwhile laugh and happy come with. Look at the waves and palm, you will feel a vivid tropical sea smells! What a funny and attractive play paradise is it!

Advantages :

1. All our materials are purchased from Plato factory, Wubit special material -- Wubit 0.9mm PVC Tarpaulin, more expensive than general 0.9mm PVC Tarpaulin. We can send you some materials for your testing.
2. Welded strongly with high temperature machine and experienced workers. Besides, reinforced a extra strip on all seams, make it stronger and more durable.
3. Intalling reducing pressure valve. When airpressure is going to overhigh because of temperature rising, this reducing presure valve will make the product deflated automatically, in case of the product would blast because of exceed airpressure in high temperature.
4. Strong D rings and handles, it is very difficult to tear them off.

Product applications:

Inflatable water park can be widely used as summer water park , River,pool and water game parks, sunshine paradise amusement water park , for outdoor use , outdoor entertainment , backyard fun , festivals and carnivals , schools and daycares , churches and youth groups,corporate picnics and functions, grand openings and promotions , family use rental or resell business. and so on.

Workmanship:

- 1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles, corners, connects etc.
- 2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which last longer than other metal in water.
- 3) Durable parts. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.
- 4) Stable Connection System. Bouncia created originally eyelet connection system and anchor ring connection system which make the whole park very stable.

Why choose us:

King inflatable is a specialized manufacturer in inflatable industry. We own factory nearby Baiyun International Airport, Our products have been sold to more than 70 countries all over the world and earn good reputation by our professional service, top quality products and competitive price. We use 0.9mm commercial grade reinforced PVC tarpaulin (Waterproof & flame resistance) to make all the water games with hot-air machine. And we will make the size and colors according to your requirements.
