Descriptions:

This is a multiplay and kid attractive jumping castle which kids can jump, climb and slide. It is consisted of bouncer course, slide and some obstacles. It has European palace shape and a little cold color, it has a big door waiting for you coming, on both side columns have beautiful princesses smile to welcome you. The outside wall is fully printed with princess and snow, so beautiful it is! There are some 3D columns and rings as obstacles on the bounce house. Kids can jump together with their friends, chase each other, climb or ride on the obstacles, then slide down from the slide, and repeat again and again, what a play paradise for kids in hot summer! It is a must-have toy for your kids in backyard fun, or others events.

You can easily setup this multiplay jumping castle within 10 minutes. Whether it is during a birthday, anniversary or other festive event. The multiplay jumping castle is supplied compactly in one part and is therefore easy to transport to the place of destination. The inflatables is supplied including a blower, repair kit, carry bag and a clear user manual. This way you have everything together for a great experience.

Advantages:

1. High quality Plato PVC is used for all our jumping house, Water Slide, football field, obstacle courses, Commercial Bounce Houses and tents and other inflatable advertising products. Our material Non-stimulative to skin, non-toxicity and non-taste. You could be at ease use. Just make fun for the world.
2. Sewing: Commercial grade sewing style, Double-stitched reinforced seams and jump surface
Inflate and deflate: Easy to set up and take down within 5 minutes
3. Blower: Powerful blower with CE&UL certificate and correct plugs
4. Anchor or D-ring: Anchor or D-rings to keep stability and safety
5. Quality control: Very strictly test and 100% inspection before delivery
6. After-service: 100% responsible for faults of quality under correct use
7. We support digital print, silk print and hand painting.
8. We could print anything what you want, what you need very clear and lively. Because we use the best quality printing machine, it prints very quickly and in good quality.
9. The high level printing makes product will not be sticky and color fade, at the same time can help product picture sustain for a long time.
10. Strong design ability. We have a professional R&D team, best design according to your demand, and 3D drawings to you for confirm before production, to make one and only inflatable for you.
11. Perfect after-sales service system. Our inflatable products can be used for more than 24 months. If it is damaged, you can use the glue and material to repair it. Because it is too long distance to ship goods back, we will send a kit bag for every inflatable product.
