Description:

Kids love bouncing beds and bobo balls, and the design combines both. Size is also mini, do not take up any space, can be put in the home, can also be put in the backyard or balcony. It can accommodate 5-6 children aged 0-2. Even if they fall down, the bottom of the inflatable surface will not be injured. There is a net covering all around. Parents do not worry about the kids will fall down the floor. If they put their kids in it, they can do their housework or work, release your hands.

We have a variety of Inflatable Castle with different themes and design, Different model, size, color and logo can be customized. This inflatable mini Bouncy Castle is hot sale with a promotion price now, which bring mass business for our new and old customers, light and portable to set up for your kids birthday gift!
