## Product Description

### Pink Girl Gaint Inflatable Bounce House Dry Slide Commercial With CE Blower

This product has bright colors and very girlish heart. In the shape of a castle, there are rockets at the four corners, and there is a huge slide in front, with an inflatable balustrade at the front of the slide so that even the overweight won't slide off the ground. There are also inflatable balustrades on both sides of the slide, so it's very safe and you don't have to be afraid to slide out. There are small steps on both sides of the castle to help children climb up. The products are designed to be safe and fun.
