Details :

1. PVC tarpaulin : fixed width is 2.1 m . it have water proof , fire- retardant , anti- ruptured , light-proof function and can be used in the rainy and sunny days . We make reinforcements everywhere for the big water park, the connection between items of the park are durable eyelets, the structure can make the giant water park connect very stable.
2. It comes with slide up and down , a pool in the end , a CE/UL blower and repair kits . We install high quality air relief valve from UK on all the items of this water park, so the items can release air to a safety level automatically when the air pressure getting higher.
3. Inflating and deflating : turn on the blower connecting tube and electricity supply for inflating ; turn off the blower for deflating and there is a 1m long zipper opening and covers for fast deflating . We use thick and big stainless steel anchor ring with durable anchor pads at the bottom of the inflatables.
4. Many D rings around as anchors with rope to tie a weigh, in case of strong wind to blow it away
5. Reinforced joins with double stitching , once broken, it's easy to repair.
6. Different attractive colours and artworks , amusement park as show in the picture .

FAQ:

Did it can resist strong wind ?

Yes, at first the big tent weight is heavy, not easy to blow down or blow away. Meanwhile there are many D-ring on the bottom and top for you to fix. Next our design meet the gas flow mechanics

Is it fire retardant ?

Yes, our material is fire retardant and waterproof, if you have other special request, such as resist UV, Meet NFPA 701 standard etc. It also okay for us and we will purchase material accordingly, but price will more expensive.

could I ship it by myself / Could you can help us to ship?

Yes. If you have forwarding agent in China, we will assist your agent to ship. If you have no forwarding agent, we can help you to ship. The best ship way is by sea, transportation time about 15-40 days according to different country. If urgent, by air is

okay.

The size is big /same,not suitable for me.could we can customize?

It is no problem. It can be customized according to your requirements, such as size, logo, color, printing etc. Of course, if you do not like the style please send your ideas to us, then we will design a new 3D model to you according to your ideas.
