Product Description

Green Football Childrens Inflatable Bouncy Castle Jumping House Bouncer Combo Slide For Kids Party

Description

This inflatable trampoline castle with a football shape on top is a new design we designed in 2019. It is now sold to countries such as Israel and is very popular with adults and children. Boys and girls love this castle very much. There are trampolines, slides, and fences on both sides of the slides to protect children's safety. The height of the castle is also moderate, enough for children to jump inside, not too high, children are safe to play. It's a good place for children's weekends and festivals. Can also be used as the preferred device for kids party

FAQ:

1. What's included in products?

Blowers for ground inflatables or air pump for inflatable water games (with certificate of CE/UL), storage bag, repair kits (included PVC materials, glue).

2. Do you ship by Sea, Ground or Air?

We do it all. It just depends on your delivery time, budget and which shipping option you would like to choose for yourself.

3. How long will it take to make any of these inflatables if they are not in stock?

The regular bounce houses usually take 5-10 working days, and much larger items like water slides and inflatable obstacle courses can take anywhere from 10-15 working days. Custom made orders take about 10-30 working days, depending on the style, size and structure.

4. How about the package?

Yes, each step of production and finished products will be came out inspection by QC department before shipping.

5. Do we make custom designs?

Yes, just submit your detailed renderings, and we can create your custom products. Allow at least three weeks to receive your custom shape in time.

6. What is available for international customers?

We sells products worldwide. We can make the necessary adjustments required to meet your local power systems. Payments are accepted through T/T, Western Union and credit card.
