#### Our product's advantages:

- 1). We add reinforcement strips for all our tents, so the items will be more durable.
- 2). For parts like anchor rings and handles, we use the big high frequency welding machine to weld on the products instead of glue on by hand. The parts and the main body are fused together so the quality is very stable and will not peel off.
- 3). The product is low cost, easy and convenient to install and move. It is available in various great designs and a wide selection of bright colors.
- 4). We are a manufacturer of inflatable products, including tent, inflatable decoration, Christmas inflatable models, pneumatic boat, airfilled toys, air mattress, inflatable aircraft, advertising, pleasure toys, fire ballon, recreational facilities, air dancers, etc. So you can get a professional service, top quality product and factory price. These will recover your cost very quickly.
- 5). Customers from USA , UK, Australia, Vietnam, Japan, etc have already established an agreeable and mutual benefit business relationship with us and highly appreciated our professional service.
