Product Description

Commercial inflatable interactive sports games for kids and adults

This inflatable sport game was constructed by the tube frame structure, including the jumping airbag and balls. The frame structure will be inflated constantly by the air blower, but the ball was airtight and will come with the air pump to inflate. This game is funny and suitable for both kids and adults to play together. We can customize the shape, size, color as your specific requirements, should you have any questions, please feel free to contact us.
