About the shipping, most clients would buy several pieces at a time. Meantime, they also will buy some water balls and bumper boats. Then you can put them together if you have a pool, as well you can deliver them by sea which is much cheap for each. If you don't have a pool, you can also buy a inflatable pool.

#### Advantages:

- 1, All the material is from PLATO CHEMICAL, the best and biggest material supplier in China.
- 2, All the water items are sealed by advanced hot air welding machine imported from Japan which has stable temperature to ensure the goods not over sealed or miss sealed, so we can offer very good products to you.
- 3, Any logo, color, design are available.
- 4, The material will be cut by machine not by hand, so we can offer a fast delivery to you.
- 5, durable, soft playing feeling, repairable.
- 6, easy assemble, move, put it away, in different occasions.
- 7, once broken, it's easy to repair, get it fixed and to work again.
- 8, come with pump, glue and spare material.

#### Applications:

Inflatable Fun Rolling Ball can be widely used in summer water park, water game parks, paradise amusement water park, seaside park, beach, shore and so on.
