Product Description

Large 40 Ft Outdoor Inflatable Obstacle Course 5k Adults Kids Obstacle Course For Rent

Description Of Inflatable Obstacle Courses

Have a blast running, climbing, sliding, and jumping as a part of the unlimited fun you can have on our Retro Mega 3-Piece Inflatable Obstacle Course Bounce House. This 3-piece unit combines our 30' Rock Climb Slide with the wildly popular 7 Element Obstacle Course and then another 30' Obstacle Course for triple the fun and thrills. This obstacle course combo is great for two friends to go head-to-head in a friendly competition to see who can make it to the finish line first. Both kids and adults will want to have a shot at this amazing combo and since it has two lanes, you can keep wait times to a minimum and keep the line moving so more kids can give it a try.

At 90 feet in length, it's 1/3rd the size of a football field for kids to run, jump, crawl, laugh, and most definitely... HAVE FUN! This Inflatable Obstacle Course Bounce House has bright and gender-neutral colors, you can be sure that this unit is going to be a hit at any boys' or girls' event, doubling the earning potential for your bounce house rental business. This unit makes a great addition to carnivals, festivals, fairs, school activities, kids events, church events and is even great for team-building events.

The Retro Mega 3-Piece Inflatable Obstacle Course Bounce House is a great experience in its own right, but if you're looking for something that is really going to dazzle spectators and create lasting memories, then you can combine this unit with any of our other KING Inflatable Obstacle Course Bounce Houses or KING Inflatable Rock Climbing Wall Slides to create an even more intense challenge that is fun for both kids and adults!

We provide inflatables: bounce house Sales, inflatable water slide Sales, Inflatable obstacle courses Sales, inflatable party

SAFETY INFORMATION: KING Bounce Houses are constructed from Commercial Grade Heavy Duty 15oz Vinyl that is quadruple reinforced for longer usable life and for added safety. That very same vinyl construction is contaminant-free (Lead/Phthalates, Etc). You can have ultimate trust that your KING Jumpers adopt the absolute highest level of safety possible, complying with ASTM and CPSC guidelines for residential or commercial use. It also meets or exceeds NFPA 701 and CPAI 84 Fire Codes. These commercial inflatables are easy to set up and offer a 1-year limited manufacturer's warranty. These are not the kind of bounce houses that you are going to be dragging to the curb after one season. KING Bounce Houses are commercial grade for durability and are simply built to last.

KING 90' Commercial Inflatable Obstacle Course, Retro 3 Piece
