Description Of Inflatable Obstacle Courses

This inflatable obstacle course will test your agility and stamina, and it's a lot of fun! It will keep everyone playing for hours. It will keep everyone playing for hours. The inflatable is suitable for adults and children. It is perfect for large events such as corporate events, community events, backyard parties, school play days and team building days. It is also the newest addition to our line of inflatables! This inflatable is perfect for all events and parties.

With a total length of 50 feet, it can accommodate many users at once. The large army slide can also be fun for many children or adults to hang out on! The assault course is 50 feet long and can accommodate many users at the same time. The large army slide can also be fun to have many children or adults flowing through it! This inflatable is ideal for school or village celebrations and corporate fun days, and can generate a lot of revenue if used for fundraising. It's also great for birthday parties if you have enough space to accommodate it.

This is a large inflatable toy, make sure you have a gap of more than 0.9m wide through any aisle.

Dimensions are in meters. W4m x L15m x H4m

Suitable for children over 5 years old - also suitable for adults.

Participants of all ages can race through the inflatables, two at a time, until the finish line. Contestants pass through tunnels, obstacles and slides as they venture through this exciting inflatable. Thanks to its rich colors and flexible use, the inflatable can be used as part of a large fun run challenge or on its own. We can guarantee that everyone who attends will have lots of fun and leave your event with a smile on their face. Or, why not add our "Toxic" or "Annihilation" to make your event or party even more challenging.

In particular, this obstacle course is 15 meters in length. It has a sun visor, which is rare in obstacle courses. This ensures that the vinyl doesn't get too hot in the summer. In addition, participants can be of any age and can take part in the race or the game.

If you're looking for something a little bigger, the 100-foot obstacle course is the way to go. Or, why not jump right to the top of the range and place an order for our amazing Adrenaline Rush Extreme Obstacle Course?
