Please call us for more product details before placing your order online.

Custom products require a 50% booking fee to guarantee your reservation. Once you have made your reservation, we will contact you via email with our account information so you can transfer the funds.

Updates for fall and winter order bookings

We have made changes to our delivery season that we hope will eliminate some of the winter blues.

We also want to keep our equipment and products in tip-top shape.

Tip:

If the weather source is forecasting rain, please cancel your event promptly. This is for health and safety reasons and due to the fact that inflatable equipment is difficult to dry in the fall and winter due to the low temperatures. Rolling wet or damp inflatables can cause them to become moldy and can permanently damage the inflatables.

We are King inflatable, and we strive to maintain the highest standards in all that we do. This castle, like all of our equipment, has a valid PIPA/TIPE certificate and its blowers are PAT tested regularly. Our experienced and friendly team will provide full advice on how to manage your castle safely.

When placing an order, please communicate with us in time to confirm with you the delivery time frame and we will deliver it to you as fast as possible.
