Product Description

Inflatable Juming Castle Combo Outdoor Hire Inflatable Bouncy Castle With Slide

Details

King inflatable is a colorful and vibrant inflatable attraction for toddler parties. It features a large bounce house with basketball hoop inside, and dual lane water slides with a big pool at the end. This bouncy house & slide combo is guaranteed to put a big smile on your special birthday boy or girl's face.

This unit is for Toddlers of ages 2 - 12 years old. Kids above the age of 2-12 years old can join in on the fun, but this unit would be very elementary for them.

King Inflatable

Guangzhou Aeor Inflatable Products Co.,Ltd is one of the leading manufacturers of inflatable product in China. Aeor Inflatable is found in 2006 and has a long history with over 13 years. Due to the excellent quality and competitive price, many kinds of inflatable products are popular with customers all over the world. Our factory has advanced technology and various machines, such as the latest Seiko sewing machines, hot air welding machines, auto-cutting machine, high-end digital imaging printers, and laminating machine, and PC controlled painting machines. In order to maintain the high quality standard of each single product, we only select materials that have EN71, UL, SGS certificates. Each product is double checked to ensure the design of products meet our clients' expectations and will be tested for waterproof, cold resistance, fire resistance and pressure resistance. All materials meet the quality and safety standards.

We specialize in all kinds of inflatables and aquatic equipment for recreational purpose. Our featured products include large inflatable water park, inflatable slides, inflatable castles, inflatable bouncers, inflatable tents, inflatable air track, moving cartoons, inflatable banana boat, flying fish, amusement park, bubble tent, and other inflatable water games products. Aeor also has a wide range of excellent designs which are available in various sizes, designs and colors according to your demands. Our products have attained CE, EN71 and SGS certifications. And we have skilled workers and strict inspection system to make sure our products are always in high quality control.
