Product Description

20ft Inflatable Snowman Christmas Decoration Yard Inflatables Moving Christmas Snowman Description

Giant 6m Frosty the Snowman inflatable, this is the 6m inflatable Frosty The Snowman who entertains kids and adults alike with a dazzling light show. Based on the beloved character from the classic 1969 cartoon, an internal projector illuminates Frostys bulbous body with a kaleidoscopic display of multi-colored lights guaranteed to produce amazed stares and appreciative smiles from visitors and passerby. This giant snowman springs to life from a built-in electric air pump that inflates him in minutes, complete with his old silk hat, corncob pipe, and a candy cane in his hand. A durable polyester exterior withstands snow, wind, and sun.

Everything has been tested and any repairs have been made. It May have a little dirt marks here and this inflates real strong and with a few minutes it is up.

Photos are just stock photos of what you are getting, not exact pictures. I do recommend possibly putting wood under fabric or lifting blower off of ground so it inflates better and fabric dont get sucked in. It is a AWSOME inflatable and ready to go up for Xmas to be the talk of the town. Four stakes and eight tethers keep him from. Quite easy to set up. Comes with 4 metal stakes that anchor legs down.

There are 8 tethers on frosty. There are 4 tethers on bottom that get anchored with lg stakes and two tethers on each side that get anchored with your long tethers. It has two Kaleidoscope lights inside which is an AWSOME display at Xmas. This inflatable is the talk of the town.

Made of durable nylon fabric to brave winter snow and rain, the ornament has an already-installed fan, character lights, guide wires, and yard stakes. Inflates easily in mere minutes. Includes instructions, anchors, and tethers. For indoor or outdoor use.

Large inflatable Christmas character decorations with LED Lights for indoor or outdoor use. Heights from 12m to 6m. Christmas inflatables characters include Santa, Snowman, Penguin, Reindeer, Christmas Tree, Gingerbread Man and Nutcracker Soldier.

Takes approximately 3-4 minutes to inflate using the fan motor. Deflates faster if you undo the zip underneath.

Weighted bottom and securing guy ropes with pegs and further ground pegs.

With non-replaceable low voltage low energy Led Lights.

5m cable with 3 Pin UK plug. Plug must be indoors or in a waterproof container.

Dimensions: 1.2m tall Santa or Christmas Stocking, 1.8m tall Santa Up Chimney, 2.4m tall Father Christmas, Snowman, Penguin, Reindeer, Christmas Tree, Gingerbread Man, Santa and Merry Christmas present sack, or Nutcracker Soldier.
