Product Description

Inflatable Pizza Giant Pool Float Mattress Water Party Swimming Beach Bed Sunbathe Mat

Inflatable Pizza Pool Float

Everyone loves a slice of pizza, but how about relaxing on one in the pool, this is a great size slice making it perfect and roomy to relax and sunbath on in the swimming pool.

This giant pizza slice float has a weight limit of over 350 lbs, the great thing about this float is that if you have 8 slices they can all be joined together to make one huge pizza, a great island and a great way for all your friends to relax on and chat. A must have for groups of friends going away.

The Inflatable Pizza Slice looks exactly like the crust of a pizza. The top of the float is brown just like the crust of a pizza. This is a great area where a person can lay back and rest their head. The rest of the float is yellow to resemble the cheese that is found on pizza. There are even pizza topping that are stenciled on this float. There are circle designed that are shaped to look like pepperoni.

There are even decorations that are designed to look like slices of green peppers and mushrooms. There is even a spot where a person can put a drink to sip on as they float around.

This float can be used alone or a number of people can get together with these pizza slices. When eight people get together they can turn their pizza slice float into something interesting.

This pizza slice inflatable float allows a person to enjoy the water and have a good laugh as they are floating around. They can float as an individual slice or get together with some of their friends to make an entire pizza. With celebrities going crazy for the inflatable pool swan is it turn of the pizza this year?
