Product Description

Advertising Decoration Inflatable Cars Model For Festival Exhibition

Inflatable Car Model for Advertising

The inflatable car model is an conspicuous tool for advertising in car exhibition, car promotion or events. It's made in durable Plato PVC tarpaulin, it's strong and looks brilliant. There is another material option-the 420D oxford cloth. It's cheaper in cost and lighter in weight.

This car model inflatable needs a blower to supply continuous air flow. The blower is optional.

Our range of inflatable cars are perfect for garages, petrol stations, car sales showrooms and just about any automotive related industry, including factories and car accessory shops. We have also produced inflatable cars for motor manufacturers and car related inflatables for automotive product and accessory manufacturers.

If you are looking for the perfect inflatable car ad for your business, our inflatable dancers or inflatable car people can be seen from hundreds of yards away and immediately draw attention to your brand and business

If you work in the automotive industry, for example in a showroom or garage, you should take a look at our range of inflatable dancers and choose the best one for your car business - and remember, if you don't see what you're looking for, contact us and we can make any of your ideas come to life.

Remember, all of our inflatables are fully customizable, so they are tailored to your business - need to display a logo, message or image, or a specific make or model of car? We can make it happen! We also use Pantone-specific colors to make sure everything is perfectly branded to properly promote the quality and standards of your business!

If you are interested in our line of inflatable vehicles, or even if you have other advertising ideas for your business, please contact our team. We'll bring your creative ideas to life!
