Product Description

Outdoor Blow Up Game 20m Commercial Inflatable Obstacle Course For Rent

20m Inflatable Obstacle Course

This product is inflatable sports game product. Used on land. The object of use can be an adult or a child. The product should be placed on a flat surface and fixed in use to avoid potential safety hazards. Inflatable sports game products use a variety of materials, including 0.4-0.65 mm PVC tarpaulin. Product color and size can be customized. Each part of the product can also be modified or customized according to the customer's needs.

Notices

1. Do not place the product near potential fire hazard areas or sharp things which will damage the product. Keep the air pump/air blower in a dry location (without sand).
2. To avoid injury, please ensure that the maximum occupancy is observed and controlled.
3. To check if the product is damaged or at the risk of being damaged, periodic inspection is necessary.
4. Do not use the product in heavy rain, strong wind or other extreme weathers.

How to Use Inflatable Products

1. Place and unfold the product on a flat surface firstly, preferably on a pad (such as carpet, cloth).
2. Then, find the air inlet of the equipment, connect it with the air outlet of the blower, and fasten it with a rope.
3. Lastly, turn on the blower and the product will blown up in a few minutes.
