Our Services:

Customers satisfaction is very important to us! If you have any question, please tell us with no any hesitates. And we will do our best to solve the problems and give you a satisfying answer. If you are satisfied with your purchase, please leave us a positive feedback. We both benefit from the positive feedback, and we can try our best to provide you better products.

Packaging & Shipping:

Not only do we focus on our products quality themselves, but also we pay attention to other details like packing these years. Based on our years experience, we always provide our customers the best packing, we pack our products in heavy duty PVC bag and blowers/air pump in export standard carton, both outside will be printed our company's logo, so it can provide much convenience & save much time for customers later, and even it can avoid wrong delivery or damage from port careless or wrong operation.

FAQ:

Q1.What kind of warranty do you give?

A: 2 years warranty.

Q2.What about size and color?

A: The size and color can be changed according to your requirements usually. But if your size for the models is not suitable, we will inform you this and we can discuss with another suitable size.

Q3.Can you put my logo and safety rules on the products? Can I change printing pictures for my games?

A: Yes, we can put your logo and safety rules on your inflatable products. If you want to change printing pictures for your games, you can tell us what kind of printing you like or you can send us clear pictures.

Q4.Why TPU more expensive than PVC?

A: TPU is better than PVC mainly by following features:

- 1). excellent abrasion resistance
- 2). outstanding low-temperature performance
- 3). excellent mechanical properties, combined with a rubber-like elasticity
- 4). very good tear strength
- 5). high elasticity& transparency
- 6). good oil and grease resistance
- 7). more mycete-proof

Q5.What happens if the ball punctures?

A: The damage can easily be repaired with repair kit (material patches and glue).
