#### Descriptions:

There are 3 kinds of banana boats:single lane boat,double lane boat,fly fish boat.

Fly fishing banana boat:It is a very exciting boat game ,people can fly to the sky when the speed is high.There are many stainless D-rings at the back of the boat,then you can use ropes to connect them to a motor boat,very easy.

The material we use for this kind of boat is 0.9mm pvc tarpaulin from the best plato company ,high durability and fire-retardant which can meet SGS standard.Except the best material,our workmanship is also excellent :first,it is a seal job by imported hot air welding machine,which has stable welding temperature so that the item will not be over welded or less welded ,it will be done very durable.Second,the joints is possible to get loose,but we will use many reinforce strips to make it strong and will double cover the joints to fromk leak.The last,our technial worker is really has rich experience.

#### Advantages:

- 1 10 year's production experience and strict quality control,which will promise the best quality products for you.
