Descriptions:

1. As for bubble balloon with tunnel, the transparent part is made of 1.0 mm PVC , which has a very good light transmission and can be waterproof , Its thickness is generally 0.8mm and 1.0mm , the fixed width is 1.2m ; the white part is made of 0.6mm PVC Tarpaulin , which is waterproof , fire-retardant and UV resistant , its thickness is 0.4mm , 0.45mm , 0.55mm , 0.6mm and 0.9mm . The fixed width is 2.1m , with CE , EN71 , EN14960 , Rohs certificates. These two kinds of materials have many colors , you can choose what you like . Don't worry , all our material are purchased from plato factory , very strong and durable .

2. Workmanship : This bubble tent is made up of a bubble balloon and one tunnel , welded by high frequency machine strongly . The bubble balloon is constant blowing system, it needs to be inflated constantly by blower connecting electricity , the tunnel is airtight system , it only needs to be inflated one time by air pump connecting electricity .

3. In order to make it fixed to the ground , we will install some D rings on the tunnel and on the bubble balloon , to let you use some ropes to fix it , make it enough stable .

4. In order to make it inflated , you can connect air pump with valve on the tunnel pipe , to blow the tunnel up first as it is airtight system , then use blower to connect the blower tube on the bubble , to set it up and stay constant blowing as the bubble ball is constant blower system .
5. In order to shipp the goods better , If you only need one piece , by express is good choice , If you want more , by sea is also good . The shipping way mainly depends on your demands .
6. In order to pack it , we will make a carry bag first , then roll the product up on a roll and put it away into the carry bag , it is very easy .
7. As for payment , we have TT , western union , moneygram and paypal , generally , we receive 50% deposit and we will arrange the production , when finished , we will take some photos for your confirmation , if it is okay , you can pay the balance and we will ship it out .
8. Dear friend , if you are interested in this bubble tent with two tunnel , pls let us know the size , color , logo you need , so that we can offer a good price , thank you .
9. For all the inflatable products (not including accessories) , Our warranty time is generally 1 year .Within one year , if there is any quality problem , our factory will take the full responsibility to get it re-work , If failed , we will make a new one for you . Actually , when it is broken , it is easy to get it repaired , you only need to use the spare material and glue

Advantage:

1. OEM accepted
2. Heat sealing strongly
3. Cheap price and good quality
4. High durability and best material
5. Very strong ,safe and steady
6. Best after-sale service
7. Good printing and perfect artwork
8. long life , use 3 years at least
9. Airtight type and constant blower type
10. very fast to inflate and deflate
11. on-time delivery and safe shippment
12. Any styles , sizes , colors ,logo can be customized
13. Used for exhibition , party ,meeting or others
14. Easy to get it repaired , only need spare material and glue
