Application:

Inflatable castle is widely used in many different places, like shopping malls, supermarkets, theme parks, children's palace,playground, gardens, kindergartens, schools, residential property, etc.

Advanges:

Sewing, All our inflatable products use Double, Quadruple,and in some areas 6-way box stitching to ensure our products will lbe long life.

All the products are manufactured to be safe and durable.

1. Double-layer material sewn on stress areas like the bottom of the bounce house's pillars, pop-ups, entrances, and high traffic floor seams to build the game stronger and safer.
2. Every bouncer will have 8 pieces of big D ring safety anchors at least to make the units more steady and the slide will have more.
3. Have reliable commercial grade zippers with cover. All have integrated back flow flaps on deflation zippers to reduce air leak.
4. Blank business banner, business card holder ,warning sign are available.
5. Vivid hand painting and digital printing makes the inflatables more attractive.
